

# FAMILY ENGAGEMENT TOOLKIT

The following toolkit is intended to be used by participating WAGAP schools and districts to communicate with students and families about the WAGAP program.

## FLYER/POSTER

Download and print the WAGAP poster to display around schools and/or distribute to interested parents and families. The poster is available in 8.5x11" and 11x17" format. While we recommend a professional printing service, such as FedEx, the 8.5x11" size can be printed via a standard office printer.

## RACKCARD

The rackcard is a great resource to distribute to students and families to take home and learn more about the WAGAP program. The rackcard is available in a 4x9" format and can be printed at FedEx or similar locations.

## SOCIAL MEDIA ENGAGEMENT

Below is some sample social media post copy as guidance for how to communicate about WAGAP to social audiences. Feel free to use as-is or to update to fit your school/districts' voice.
